DAILY PRAYERS

Sunday:

Loving God, we praise you for your continuing and everlasting presence through the Holy Spirit. May we be refreshed through our reading and consideration of your word this day and may we feel your presence with us in times of sadness and delight.

Monday:

For those behind locked doors, fearing hardship and poverty, loss of income, home or future, we ask for the peace of Christ.

Tuesday:

Lord bring new life to the unheard, unloved and unwanted. Show us ways in which we can reach out to the aforementioned.

Wednesday:

We pray for those working through, reeling from and struggling to grapple with the effects of the pandemic. May there be new expressions of care to suit our new and changing needs.

Thursday:

Give us wisdom and good sense to care for each other wholeheartedly. Forgive us our shortcomings, where we fail to love, act and move as you would lead us to care for one another, ourselves, the planet, the community.

Friday:

In these uncertain times of rule changes and unlocking we pray for patience and safety. May we all respect each other's choices and demonstrate love and care.

Saturday:

As we look back on this past week give thanks for God's goodness shown to us. For good health, family, friends and acts of kindness shown by others.
